

# OB Student AOM ROADMAP

**Welcome to the OB Division! Here are a few ways you can engage with AOM throughout your PhD program.**

## **PRE- DOC**

### **Core Programming**

How to Succeed in the PhD Admissions Process Consortium

### **Best Practices**

- Attend a professional development workshop (PDW)

## **YEAR 1**

New to OB: Navigating the OB Division at AOM PDW

- Make friends with PhD students with similar interests

New Doctoral Student Consortium

- Consider reviewing for the AOM Annual Meeting

## **YEAR 2**

Research Roundtables

- Chat with your advisor about utilizing [CARMA](#) resources

Productivity Process PDW

- Organize a symposium that engages researchers in your area

## **YEAR 3**

Halfway There PDW

- Look for off-cycle PDWs
- Get involved with a micro-community or subcommittee of a larger division

Attend events in other divisions (HR, MOC, DEI, etc.)

## **YEAR 4**

Preparing for the Academic Job Market PDW

- Don't forget to apply for relevant AOM awards

Specialized Job Market PDWs (International, post-docs, etc.)

- Note that job application materials can be due as early as the July before you enter the market

## **YEAR 5+**

OB Doctoral Consortium
